

# Aeration Tiller

## Available for Rent!

***The Winooski Natural Resources Conservation District provides a Standard 11 ¼ Foot Gen-Till II Aerator for Rent for \$3/acre. Benefits from using an aerator include:***

- o Increase infiltration of nutrients and water into soil***
- o Decrease soil compaction***
- o Prevent soil erosion and nutrient runoff***
- o Improve soil health***

*If you are interested in renting WNRCD's aerator, or learning more about conservation tillage, please speak with WNRCD staff, email [info@winooskinrcd.org](mailto:info@winooskinrcd.org) or call 802-288-8155 ext.104*
