

## 2014 UMaine Sustainable Agriculture Twilight Meeting Sust. Ag. Research at Rogers Farm

**Thursday, June 26<sup>th</sup>**

**5:00 to 7:45pm**

Registration starts at 4:30pm

UMaine Rogers Forage & Crops Research Farm  
Stillwater, Maine (see below for directions)

Please join us and learn about:

- Sustainable agriculture in Denmark (from visiting scientist Ilse Rasmussen)
- Weed management, weed communities, and climate change
- Plants to support native pollinators
- Alternative weed management strategies for vegetables
- Opportunities and challenges with fall seeded crops (winter canola, wheat, rye, triticale, ...)
- Field pea varieties for livestock feed
- Incorporating wheat into organic forage rotations

Come early for a Weed Walk – starting at 4:00pm, join Eric Gallandt for a stroll around the farm to identify and learn about common and maybe not so common weeds.

Speakers include:

Ilse Rasmussen, International Center for  
Research on Organic Food Systems  
Lois Berg Stack, Ornamental Hort Specialist  
Ellen Mallory, Sustainable Ag. Specialist  
Tom Molloy, Sust. Ag. Research Associate

Eric Gallandt, Professor of Weed Ecology  
John Jemison, Soil & Water Quality Specialist  
Bryan Brown, UMaine Graduate Student  
Erin Roche, UMaine Graduate Student

**No pre-registration required - Refreshments provided**

**2 Certified Crop Advisor credits and 1 Pesticide credit will be offered.**

**For more information, contact:** Ellen Mallory – [ellen.mallory@maine.edu](mailto:ellen.mallory@maine.edu); 207-581-2942

**Directions:** The UMaine Rogers Farm is located on Rt. 16, 1.5 miles north of Stillwater, ME. Take exit 193 off I-95 and head east toward Old Town on Stillwater Ave. At the third set of lights, turn left onto Bennoch Rd. (Rt. 16). The Rogers Farm is 1.5 miles north on Bennoch Rd.

If you are a person with a disability and will need an accommodation to participate in this program, please call Ellen Mallory at 207-581-2942 to discuss your needs. Receiving requests for accommodations at least 7 days before the program provides a reasonable amount of time to meet the request, however all requests will be accepted.
